

Christmas at Hayfield Manor

2011 Christmas Residential 3 Day Package

Christmas Eve *24th*

Arrive in time for our Festive Afternoon Tea from 2.30pm to 5.30pm which will be served in the elegant festive atmosphere of the Drawing Room. Spend a leisurely afternoon discovering your Christmas home from home while wrapping your last minute gifts, decorating your tree, or catching up with loved ones in The Manor Bar or The Library. Relax for the afternoon and soak up the festive atmosphere while being serenaded with a heart warming performance from our local choir. Your evening celebration commences with a festive dinner in Perrotts Garden Bistro with four courses from our a la carte menu. After evening ceremonies return for mulled wine and mince pies in front of a warm open fire.

St Stephens Day *26th*

Breakfast is served from early morning, followed by a late and lively Jazz Brunch served in Perrotts Garden Bistro. In the afternoon, take a few of the local attractions or explore the beautiful Cork Countryside. Spend the evening at your leisure safe in the knowledge that you can avail of our late check-out on the 27th, or join our festive gathering in The Manor Bar for songs and stories into the night.

Christmas Day *25th*

Awaken to Hayfield Manor's renowned breakfast and pass the morning either in the privacy of your own accommodation or find a cosy corner in one of our resident's lounges. A champagne toast precedes traditional Christmas Lunch which is served in Orchids Restaurant, accompanied by our resident pianist playing favourite seasonal tunes. Spend the afternoon at a gentle pace – enjoy a stroll in the gardens perhaps or playing traditional board games. In the evening, enjoy the heart warming scene when Father Christmas appears with gifts for the children. Later in the evening a fork supper will be served for you to enjoy at your leisure.

December *27th*

Enjoy a hearty breakfast and there is no need to rush away as late check-out is available until 2pm.
