Cork Locals

Stag Bán

€6.60

A dry refreshing beer with a light malt body, the hop character is spicy citrus, finishing clean with intense aromas.

Stag Rua

€6.60

The flavour profile is chocolate, caramel and toffee; these are derived from liberal use of chocolate and crystal malts beside the gorgeous Irish ale malt. No one thing takes over the beer, more of a depth of layers which reveal themselves slowly. With a grain bill like this nothing else can be expected but a deep ruby red colour, it gives a little insight into what lays ahead after pouring. The aroma is rich malty with little hops, although we use a considerable amount of hops their presence is behind the malt but there none the less.

Black's of Kinsale Pale Ale

€6.60

The exciting fusion of Cascade and Citra hops inspires tropical & citrus flavours that are beautifully balanced with the malty sweetness. This is a memorable pale ale like sunshine in a glass.

Black's of Kinsale IPA

€6.60

A unique beer that ambushes your senses, it pours dark with a creamy beige head but tastes light and hoppy! Complex hoppy fruity flavours and aromas mixed with roast bitter chocolate and coffee tones. Low carbonation for a smooth stout-like finish. Dressed in black, charged with hops and ready to rock.
