

The Beautique at Hayfield Manor

The Beautique at Hayfield Manor was relaunched in the summer of 2006 and has become a significant ingredient of the luxurious Hayfield Manor experience. The Beautique, classic in design, was created using the theme “Chandeliers, Pearls and Girls”. Unique to the treatment rooms are chandeliers, vintage perfume bottles, antique-style furnishings and elaborate mirrors. The relaxation suite overlooks the indoor heated pool and steam room adjacent to the outdoor Jacuzzi.

Our wide range of treatments place considerable emphasis on tailor-made skin therapy, in addition to relaxation and well being. The signature treatments are the Advanced Anti-aging and Skin Solutions Facials with the Urban Cleanse and Skin IQ+ devised especially for men. The Beautique also offers a full range of massage, body wraps and exotic treatments such as the Exotic Coconut Rub and Milk Ritual wrap.

The Beautique at Hayfield Manor was the first to have the Elemis Spa Therapy range in Cork. These treatments are the cornerstone of Elemis’ lifestyle concept and have been created to respect the skin and body’s complex physiology. Offering an unparalleled experience, unique massage sequences and power-boosting facials, combined with the most potent actives available, ensures that dramatic, visible results are achieved. Our ultimate aim is to provide our guests with five-star treatments in a stylish haven of relaxation in which they can drift away if they so wish. Our staff of Elemis-trained experts will give a personal consultation to all Spa guests.
